

The Zephyr

WE WANT YOU!

The NNYC Race Committee positions are filled with volunteers and supplemented by skippers or their crews.

For the past two seasons Doug Hatch has made sure that the positions stayed filled so that we could have good quality racing 3 nights per week.

Doug is moving on from the RC Captain to the Non-spinnaker Fleet Captain position, so we are in need of a volunteer to take his place.

Please help our club racing program by serving in this position. If anyone has questions and/or would like to step up and fill this important RC Captain slot please contact Phil Coe at:

rearcommodore@nnyc.org or cell phone 920-858-6523.
